THE TIGERS ARE COMING! And the Sooners expect to "come back." That is the attitude of hundreds of Oklahoma alumni who will gather at Norman Saturday at their university's annual homecoming event in hopes of seeing a reversal in form of Coach Bennie Owen's team, which is just now recovering from two disastrous defeats at the hands of Kendall and Texas. Missouri alumni, who will banquet at Oklahoma City Friday night, are equally confident that the Tiger eleven will continue on its undefeated way to a Missouri Valley Conference title, or as near a title as can be expected, considering the tied up aspect of the 1916 Valley race.

21 Tigers Make Trip To Norman.

Twenty-one Tigers, Coach Schulte, Director Brewer, a staff correspondent of the Missourian and a few students of the bloated bondholder type entrained at 4:50 o'clock this afternoon, via the Wabash to Kansas City, for Soonerland. The men who will make the trip are: Captain Lansing, Hamilton, centers; Preston, McAnaw, Groves, Muir, Shy, guards and tackles; Giltner, Bass, Wilder, Slusher, ends; Stankowski, Rutledge, Stevens, quarterbacks; Pittam, Rider, McMillen, Haines, Yiner, Morris and White, backfield men.

Leaving the regular de luxe passenger coach at Centralia, the Tigers will have a special dining car from the northern Boone County metropolis to Kansas City. Arriving at Oklahoma City at 10:30 o'clock Friday morning, the Missourians will go to the Country Club and stay until just before time to leave for Norman Saturday. All of the men making the trip are in first-class physical condition. The team will return to Columbia over the Katy Sunday afternoon.

Here's a Last Word From Norman About It.

NORMAN, Okla., Oct. 26, (Special).—The Sooner scoring machine is picking up in all departments of play, although it seems scarcely evidenced in the two defeats which have been suffered at the hands of Kendall and Texas. Much improvement was shown between these two battles, and more is already apparent from this week's practice. Against Kendall, the Sooners failed to hold or gain except on line plunges, and fumbles were the features of the game. At Dallas such disasters were few, though the few errors were responsible for the Longhorn scores.

The improvement is not surprising, for Bennie was working the men hard, but the absence of all but three letter men in the Texas game, and the fact that only one, McCain, will start against the Valley teams—and at end, instead of halfback, where he has been running—makes it doubtful whether such novices can hold up against Missouri's veteran line. Captain Montgomery and Fields, the versatile Indian, are out on account of injuries. The Hotts are ineligible through the three-year rule. Meyer and Hap Johnson are both out of condition and seem to have been superseded.

The team which meets Missouri Saturday will be practically the same as the one which met Texas. McCain will shift to right end in place of McFerron. Briscoe will go from full to McCain's right half. And Von Tungen or Wilmoth will take the fullback position. At center Brewer has been going rather slowly, and Douglas, out for two weeks with blood poison, may swing into line. The other positions will probably be filled as follows: R. Johnson, left end; Tolbert, left tackle; S. Montgomery, left guard; McGlothlin, right guard; Tyler, right tackle; G. Johnson, quarter; McDermott, left half.

Bill Edmunds Shakes Up the Piker Eleven.

Things are happening on the gridiron at the end of the one-time Pike. Wetzel, center, is evidently satisfied with helping his team clinch the cellar Valley championship and has turned in his suit to Coach Edmunds. Wetzel, after receiving the wet blanket from Hamilton two weeks ago, hasn't done much to aid his alma mater. Captain Busick of the Washington eleven and Pemberton have been benched and Shanley, sent from fullback to a tackle position. Foelch replaces Shanley. Myers takes Wetzel's place and Dawson and Harvey alternate for Captain Busick. The Piker coaching array is making a desperate struggle to organize the team for the tilt with the University Miners from Rolla in St. Louis Saturday.

Home-Coming Date Boosts Interest in Game.

All Oklahoma will be interested in the game at Norman Saturday. It is the date of the annual Oklahoma university home-coming and hundreds of alumni from all parts of the state will gather to see whether the versatile Bennie Owens can "come back" with the Sooners after disastrous defeats. Missouri alumni are also to be gathered in numbers for the game. A Missouri alumni banquet will be held in Oklahoma City Friday night and

special trolleys cars for the Missourians' accommodation to Norman along with the team have been provided for.

Plans for Missouri's home-coming at the date of the Texas game, November 4, are progressing rapidly, according to Director of Athletics Chester L. Brewer. An alumni luncheon to boost the home-coming event is set for Monday in Kansas City. Mr. Brewer will attend and tell of the plans for the reception of the "Old Guard." A similar luncheon for alumni and former students has been arranged in St. Louis for November 2. Mr. Brewer will attend.

Grover, McBride and Quigley Will Handle Tiger-Sooner Battle.

J. C. Grover of Kansas City; C. E. McBride, sporting editor of the Kansas City Star, and E. C. Quigley will officiate at the Tiger-Sooner game at Norman. It will be the seventh Missouri-Oklahoma game that Mr. McBride and Mr. Grover have acted as officials. Mr. Quigley has officiated at two of the previous battles between the schools.

CAPT. S. A. SMOKE ON FURLOUGH

Former Commandant of Cadets Now Has Charge of Wyoming Army Post.

Captain Samuel A. Smoke, U. S. A., for the last two years on duty in California and Wyoming, returned to Columbia last night. Captain Smoke is on a thirty days' furlough from Fort Russell, where he has been in charge since April 1916. While Captain Smoke has been on the retired list since 1901, he organized the guard for the San Francisco Exposition and was on duty there until transferred to the Wyoming post.

Fort Russell, located on the outskirts of Cheyenne, Wyo., is the biggest army post in the United States. It easily accommodates 5,000 soldiers and double that number in case of emergency. Since the Mexican trouble the regulars have been in service on the border and Captain Smoke, with fifty men, has had complete charge of the post. He also has charge of Pole Mountain Maneuver Reservation.

Just before leaving Fort Russell, Captain Smoke sent 1,900 pounds of overcoats and sweaters to the Mexican border for the soldiers from his post, which means that their term of service on the border is still quite indefinite.

Captain Smoke is a former commandant of the University Cadet Corps and has lived in Columbia since 1907, where he plans to reside upon the expiration of his service in Wyoming.

Those few women who know the meaning of "Vanity Fair" to Columbia can hardly wait for the new project to become known to all refined people.

WEST ASH AND WEST BOULEVARD

Westwood Autumn Sale

Believing there are many people who would like to buy a lot now and do their house planning through the winter, I have decided to on

MONDAY, OCTOBER 30TH, 1916

sell without reserve or by-bid (20) twenty of the finest and most beautiful building lots ever sold in Columbia. They are the very cream of beautiful Westwood and are located on Broadway, Glenwood Avenue and Stewart Road. I will also include in this sale two splendid, modern, well built residences, one a new black brick facing east on Glenwood Avenue which has large living room 16x30 feet, dining room, sun-parlor enclosed with glass and kitchen below, four nice bed rooms, bath and sleeping porch above, oak floors with white enameled woodwork and mahogany doors; modern in every respect with hot water heat; lot 80 by 286 feet. This house is just being completed.

The second house faces Stewart Road and practically the same description as the other except it is frame and has living porch in front instead of sun-parlor on the side. Lot 70 by 270. Both are elegant homes. This house is occupied by Mr. Miller Maughs.

I am aware of the fact that I am likely to take much less for these houses and lots than they are actually worth, but if you will use your good judgment and attend this sale my loss will be your gain. I say without the slightest hesitation that this is the best property ever offered in Columbia for whatever you see fit to give for it.

On account of the short afternoon the sale will begin promptly at 1 o'clock at the corner of Broadway and Glenwood Ave.
